

TOURNAMENT RULES

Tournament rules are available on our website at www.forkedriversclub.com and will be posted at the Forked River Tuna Club. Printed rules will be handed out at the captain's meeting. It is the anglers responsibility to access the rules of the FRTC Tournaments.

A portion of the proceeds from the tournament will be donated to the Martin Truex Jr Foundation and the FRTC Scholarship Fund.

I understand that in conjunction with engaging in the tournament, I could experience certain hazards and be involved in certain risks. I further recognize that it would be impractical as well as unfair for the Forked River Tuna Club Inc., it's officers, directors and committee members and/or any and all persons or boats owners and their crew directly or indirectly involved in or connected with the Tournament to be liable or responsible in any way for my safety. I hereby release, hold harmless and forever discharge the Tournament and its officers, directors, and committee members, the boat owners and their crews from any liability and or libel, slander, loss, damage, harm, injury, or death suffered by me or which may occur during the Tournament. I understand this includes any claims based upon any negligent act or omission. I understand that I enter the Tournament at my own risk and hereby assume all risks, which may be involved in participating in the Tournament, particularly hazards due to weather conditions, and I fully understand that anytime during my participation I may elect not to participate when I think the weather or any other hazards are too great. I hereby agree to the terms and conditions of the general release and agree to abide by the rules and regulations prescribed for competition in the Forked River Tuna Club's tournament and affix my signature hereto.

Martin Truex Jr Foundation

NASCAR Sprint Cup driver Martin Truex Jr. established The Martin Truex Jr. Foundation in 2007 to raise awareness, boost advocacy and generate financial support for children suffering from poverty, abuse and serious illness, specifically childhood cancer. In August 2014, Sherry Pollex, Martin's longtime girlfriend, was diagnosed with Ovarian Cancer. Through their experiences, Martin and Sherry found purpose and focus, and their mission shifted to raising awareness, boosting advocacy, and generating financial support for underfunded cancer research initiatives specific to ovarian and childhood cancers. It is through generous donations, lasting partnerships and educational events that the foundation is able to continue this mission in 2015 and beyond. Together, we have the power to improve lives, inspire smiles and realize dreams. We will *Never Give Up*.
